***** ITAR INFORMATION NOTICE *****					
Upon acknowledgment of this Purchase Order supplier shall communicate to Safran Electrical & Power any Part in this Purchase Order that is subject to ITAR jurisdiction by the US Department of State and the US Directorate of Defense Trade Controls. (Section 120.4 of the ITAR)					
Upon acknowledgement of this Purchase Order, supplier confirms that the parts and/or materials being shipped are subject to the Export Administration Regulations, (EAR). Diversion contrary to U.S. law is prohibited.					

Please confirm receipt of purchase order.					
All orders should be acknowledged within 24 hours after receipt of the order. All order acknowledgements should be sent by email to the buyer listed on the order. A fax acknowledgement will be accepted if an email cannot be sent.					
- Please notify the buyer of any pricing discrepancies.					
- The shipping and delivery of goods indicates acceptance of pricing.					
- The buyer reserves the right to amend this Purchase Order at any time in accordance with the terms and conditions.					
- Suppliers are required to submit quality data and documentation in English.					
- Over-ship quantities over tolerance will not be accepted without Buyer intervention.					

TERMS AND CONDITIONS applicable only for Safran Electrical & Power-Wiring Division

Safran Electrical & Power's General Terms and Conditions of Purchase apply and can be found at the following website.

<https://www.safran-group.com/companies/safran-electrical-power>

The supplier declares having full knowledge of Safran Electrical & Power's General Terms and Conditions of Purchase and Supplier Quality Requirements printed at the website listed above. The supplier acknowledges the present conditions of purchase and Supplier Quality Requirements without reservation and accepts their precedence over its own conditions of sale.

Supplier shall furnish a C of C for each special process/source controlled raw material required for each part number and each delivery. C of C shall identify the special process(es) involved and name and address of processor(s). Along with requirements at QR-02 found in the document "Quality Requirements" on the website above.

*****SHIPPING INSTRUCTIONS***** (REVISED 11/16/2017)*****

These shipping instructions are applicable for Collect parcel shipments. The Purchase Order delineates the applicable terms of delivery.

Seller shall make every attempt to consolidate shipments to Safran Electrical & Power whenever possible. Seller shall ship Collect against the Safran Electrical & Power account identified below, unless otherwise directed in writing. All shipments are to be made via surface (most economic) freight.

Seller shall not insure collect or third party shipments. Unauthorized insured shipments will result in all shipping charges to be refused and will become the responsibility of the Seller.

Premium transportation is to be used only when authorized in writing by the Buyer. Premium transportation charges will not be paid unless specifically authorized in writing from the Buyer. Unauthorized freight charges will be the responsibility of the Seller.

1. Use UPS Parcel for single packages for weight less than 150 pounds shipping Ground.
All UPS Parcel shipments are to ship Ground service unless prior approval from Safran Electrical & Power.
 2. Use FedEx Freight for multiple packages over 151 pounds and requiring pallet shipping. All FedEx Freight shipments are to ship Ground on Service Fedex Freight Economy unless prior written approval from Electrical & Power.
 3. Use DHL when your shipping point is Europe using DHL Express for packages up to 150 pounds and dimensions under 25x25x25 in and DHL global forwarding for packages over 151 pounds and dimensions over 26x26x26 in accordance with SHIP VIA on purchase order.
 4. If Express shipping is required/requested an Authorization number and FedEx (Express or Freight), UPS or DHL account number must be obtained from the Buyer.
- Note: Seller is required to include the expedited shipment authorization number in the reference field of the freight bill. Charges will not be authorized without this number.

When non-compliant material is returned because of supplier workmanship freight charges will revert back to the supplier and subsequent delivery of replacement material will be at the supplier's expense. When the contractual delivery commitment is missed, all expedited freight charges are to be at the supplier's expense.

IMPORTANT NOTES:

The Purchase Order (P.O.) number must be referenced on the carrier's waybill.

The P.O. NUMBER and POSITION NUMBER you are delivering against must be identified on the PACKING SLIP.

For each product provided to Customer under this Purchase Order that qualifies for NAFTA considerations, you must provide a NAFTA Certificate of Origin CBP Form 434, applicable for the period of product shipment.

Certificate Compliance may be met by:

1. An annual blanket coverage Certificate
2. Certificate per PO
