BRP STANDARD TERMS AND CONDITIONS

ORDER & AGREEMENT. These terms and conditions are made part of the attached purchase order. Scheduling agreement or release ("Order") issued by Bombardier Recreational Products Inc., BRP, US Inc or any of their subsidiaries, affiliates or related entities (hereinafter, collectively and individually referred to as "BRP") to the supplier identified in the Order ("Supplier"), to purchase certain goods, tooling and/or services described in the Order ("Products). Orders may be issued electronically and are therefore valid even if they are not signed. Quantities and delivery dates in a scheduling agreement outside otherwise agreed upon lead times are for forecasting purposes only and are not binding on the parties. From time to time, BRP may issue releases under a scheduling agreement which may modify or amend prior orders. Supplier's acceptance of such releases shall constitute its agreement to the terms and conditions set forth in the Agreement. The shipment of Products to BRP or (3) accepts the Order in any other manner, including without being limited, launching production of the Ordered Products. Supplier shall be deemed to have accepted the Order unless it has notified BRP otherwise within three (3) business days of receipt. By accepting an Order, Supplier agrees to the terms and conditions on its face as well those contained herein and unless otherwise governed by supply agreement, all terms of the accepted Order shall constitute the entire agreement between the parties. **Agreement** Without limitation, Supplier hereby agrees to accept the Order and agree to the terms and conditions set forth in the Agreement. Supplier shall be responsible for the fabrication of drawings or specifications relating to existing Products shall have no impact on the validity of the Order. Prices for any special tooling or equipment required must be identified in advance by Supplier and quoted separately.

PACKAGING AND SHIPPING. Otherwise specified in the Agreement, shipments are Incoterms® 2010 (ICC) FCA origin and prices shall include all fees and charges related to the packaging which shall conform to BRP's Logistics Handbook provided to Supplier or its latest version available at the time of shipment on BRP's Business Partner Portal located on BRP's website until delivered to BRP. A bill of lading shall be sent to BRP on the day of shipment. Supplier shall comply with BRP's routing instructions, if any. If Supplier fails to follow BRP's routing instructions, BRP or its logistic handler may act as Supplier's supply chain manager. Supplier and Supplier shall be responsible for any related damages, including but not limited to any costs of non-delivery, delay, cover, shortage or line stoppage. All Products shall be delivered in the quantities, to the location(s) and on the date(s) set forth in the Agreement within the specified lead times. Products received in advance may be held or returned at Supplier's risk and expense. If Product is held, BRP's obligations shall run from the scheduled delivery dates. Without limiting liability under the Agreement, Supplier shall immediately notify BRP of any anticipated failure to deliver Products in due time. Upon receipt of such notice, BRP may, at its sole option, cancel, reschedule, or return the Order.

5. QUALITY. Supplier, at its expense, shall supply Products in accordance with good manufacturing practice and in compliance with the Agreement and BRP's specifications and quality assurance requirements, including but not limited to the latest shared version of the BRP Supplier Quality Manual or its latest version available at the time of shipment on BRP's Business Partner Portal located on its website <http://www.brp.com>. All Products are subject to inspection and acceptance at BRP locations notwithstanding any prior payment. Non-conforming Products may be used by BRP at its discretion. Supplier reserves the right to make repairs on defective Products and to charge Supplier any costs incurred by BRP. Supplier agrees to provide BRP with advance written notice in due time of any intention to implement a Product or process change or any change in its production site and cannot implement such change unless supported by a PPAP certification that is approved by BRP. Supplier shall inform BRP of any changes to its production site and cannot implement such change unless supported by a PPAP certification that is approved by BRP. From time to time, Supplier shall audit the operations of Supplier, its subcontractors or vendors, upon prior reasonable notice to Supplier. BRP may maintain personnel at any product production site to monitor quality which Supplier hereby agrees to facilitate. BRP agrees to abide by any reasonable safety or confidentiality requirements with respect to such site which shall in no event hinder such required inspection. Supplier's quality assurance system must be in compliance with the latest ISO 9001 standard.

6. SAMPLES AND PROTOTYPES. Samples and prototypes are required for each Product under the Agreement. Supplier shall not proceed with the fabrication or furnishing of the Products called for in the Agreement until BRP approves bills of lading and packing lists in accordance with BRP's requirements. Such documents shall include Supplier's packing list number, BRP's order number, part number, item number, English description, invoice quantity and unit of measure. Supplier's invoices shall also include country of origin, unit price and total invoice amount, with supporting documentation. Errors, omissions or irregularities of invoices shall suspend the term of payment pending their correction.

7. TAXES & CUSTOMS. Prior to delivery, Supplier shall be solely liable for any taxes, duties, customs or assessments in connection with the sale, purchase, transport, use or possession of Products, exclusive of sales tax. If Supplier improperly exports or imports Products, Supplier shall be responsible for all damages, penalties, fines, assessments or costs BRP incurs. Supplier will indemnify BRP for any claims arising from the being added to or removed from a trade or economic control authority, including any impact or be related to BRP. Furthermore, Supplier will inform BRP as soon as it is aware of any export regulation/exportation related non-compliance issue. In BRP is eligible for a refund mechanism with respect to customs or taxes, Supplier shall cooperate with BRP and provide all necessary documentation and information needed to obtain such refund. Supplier undertakes to keep all documents related to the Agreement for a period of ten (10) years and provide them to BRP upon request. Furthermore, Supplier shall provide all certificates, specific forms or additional information requested by BRP for the purpose of obtaining such assistance. Supplier shall ensure that all Products are clearly marked in compliance with applicable laws, including the document required for importation/exportation, such as any documents required by governmental agencies. All goods must clearly be marked in compliance with all applicable laws, including namely full English name of the country of origin ("**MADE IN**" or "**ASSEMBLED IN**").

8. WARRANTY. Supplier warrants that Products are: (a) new and unused; (b) merchantable and free from defects in materials and workmanship for the consumer warranty period applicable to the Product; (c) contain no dangerous or hazardous substances; (d) conform to applicable regulatory standards; (e) be free from defects in design, manufacture or material; (f) be free from defects in design, manufacture or material; (g) be free from defects in design, manufacture or material;
