BRP STANDARD TERMS AND CONDITIONS

ORDER AGREEMENT. These terms and conditions are made part of the attached purchase order, scheduling agreement or release ("Order") issued by Bombardier Recreational Products Inc. BRP. US Inc or any of their subsidiaries, affiliates or related entities (hereinafter collectively and individually referred to as "BRP") to the supplier identified in the Order ("Supplier"). To purchase certain goods, tooling and/or services described in the Order ("Products). Orders may be issued electronically and are therefore valid even if they are not signed. Quantities and delivery dates in a scheduling agreement outside otherwise agreed upon lead times are for forecasting purposes only and are not binding on the parties. From time to time, BRP may issue releases under a scheduling agreement. Supplier shall agree to ship and deliver Products in accordance with the shipping and delivery instructions contained herein. Supplier shall be responsible for the shipment of Products to BRP or (3) accepts the Order in any other manner, including without being limited, launching production of the Ordered Products. Supplier shall be deemed to have accepted the Order unless it has notified BRP otherwise within three (3) business days of receipt. By accepting an Order, Supplier agrees to the terms and conditions on its face as well those contained herein and unless otherwise governed by a supply agreement, the terms of the accepted Order shall constitute the entire agreement between the parties ("Agreement"). Without limitation, Supplier shall be deemed to accept the Order and its terms and conditions whether or not such acceptance is written. Any modifications or changes to the Order or the Agreement, those contained herein, the former shall control. The Order is not an acceptance of any offer made by Supplier and should be considered as the initial offer and any additional terms in any price quotation, invoice, acknowledgement or other communication from Supplier are hereby objected to and rejected and are not binding on BRP.

PRICE. The total price of the Products shall be as stated in the Agreement and unless otherwise specified herein, the price for Products shall be firm fixed. No additional charges or assessments of any kind, including but not limited to handling, shipping and packing costs, shall be added to the price of the Products unless such charges are clearly specified in the Agreement. Supplier represents that the prices, discounts, and allowances extended to BRP on Products are no less favorable than those currently extended to any other customer of Supplier for the same or similar articles in equal or lower quantities. BRP reserves the right to make changes in drawings and specifications to any Product covered by the Order and Supplier agrees to make those changes. Supplier shall notify BRP within ten (10) business days of such change request of any impact on delivery lead time or a substantial price difference resulting from such changes. If the change requested by the parties does not materially affect the cost basis of the Product, then the party requesting the change shall bear the cost of the change. Modifications or changes or specifications related to existing Products shall have no impact on the validity of the Order. Prices for any special tooling or equipment required must be identified in advance by Supplier and quoted separately.

SHIPPING AND DELIVERY. Unless otherwise specified in the Agreement, shipments are Incoterms® 2010 (ICC) FCA origin and prices shall include all fees and charges related to the packaging which shall conform to BRP's Logistics Handbook provided to Supplier or the latest version available at the time of shipment on BRP's Business Partner Portal located on BRP's website http://www.brp.com. Furthermore, in compliance with BRP's Logistics Handbook, Supplier shall describe, mark, and pack Products in a manner appropriate to ensure the Products' protection until delivered to BRP. A bill of lading shall be sent to BRP on the day of shipment. Supplier shall comply with BRP's routing instructions, if any. If Supplier fails to follow BRP's routing instructions or logistic handbook, Supplier shall compensate BRP for any resulting costs.

DELIVERY. Title of Ownership of the Products shall pass to Supplier on the date of shipment. Supplier shall be responsible for any related damages, including but not limited to any costs of non-delivery, delay, loss, damage, shortage or line stoppage. All Products shall be delivered in the quantities, to the location(s) and on the date(s) set forth in the Agreement within the specified lead times. Products received in advance may be held or returned at Supplier's risk and expense. If Product is held, BRP's obligations shall run from the scheduled delivery dates. Without limiting its liability under the Agreement, Supplier shall immediately notify BRP of any anticipated failure to deliver Products in due time. Upon receipt of such notice, BRP may, at its sole option, reschedule, reassign, reject, return or dispose of the Products.

QUALITY. Supplier, at its expense, shall supply Products in accordance with good manufacturing practice and in compliance with the Agreement and BRP's specifications and quality assurance requirements, including but not limited to the latest shared version of the BRP Supplier Quality Manual or its latest version available at the time of shipment on BRP's Business Partner Portal located on its website http://www.brp.com. Products are subject to inspection and acceptance at BRP's location notwithstanding any prior payment. Non-conforming Products may be rejected by BRP at any time. BRP reserves the right to make repairs on defective Products and to charge Supplier any costs incurred by BRP. Supplier agrees to provide BRP with advance written notice in due time of any intention to implement a Product or process change or any change in its production site and cannot implement such change unless supported by a PPAP recertification and approved in writing by BRP. Supplier will also inform BRP of any deviations in the Product and shall not deliver such Product before written approval from BRP. BRP may, at its discretion, require that the operation of the product be performed in accordance with the contract or other documents, including but not limited to drawings, specifications, and standards. Product production site to monitor quality, which Supplier hereby agrees to facilitate. BRP agrees to abide by any reasonable safety or confidentiality requirements with respect to such site which shall in no way exceed such required inspection. Supplier's quality assurance system must be in compliance with the latest ISO 9001 standard.

SAMPLES AND PROTOTYPES. Samples or prototypes are required pursuant to the Agreement. Supplier shall not proceed with the fabrication or furnishing of the balance of the Products called for in the Order until BRP approves samples or prototypes.

BILLING. Supplier shall issue invoices, bills of lading and packing lists in accordance with BRP's requirements. Such documents shall include Supplier's packing list number, BRP's order number, part number, item number, English description, invoice quantity and unit of measure. Supplier's invoices shall also include country of origin, unit price and total invoice amount, with any tax and permitted surcharges itemized. Time periods for payment and discounts shall begin upon receipt of both conforming Product and complete and accurate invoices and all supporting documentation. Supplier shall be responsible for the payment of any taxes, duties, customs or assessments in connection with the sale, purchase, transport, use or possession of Products, exclusive of sales tax. If Supplier improperly exports or imports Products, Supplier shall be responsible for all damages, penalties, fines, assessments or costs BRP incurs. Supplier will inform BRP as soon as it is made aware that it is being audited by tax, customs or any other governmental authority which may have any impact or effect related to BRP. Furthermore, Supplier shall cooperate with BRP as soon as it is made aware that it is being audited by tax, customs or any other governmental authority which may have any impact or effect related to BRP. Supplier shall cooperate with BRP and provide all necessary documentation and information needed to obtain such refund. Supplier undertakes to keep all documents related to the Agreement for a period of ten (10) years and provide them to BRP upon request. Furthermore, Supplier shall provide all certificates, specific forms or additional information requested by BRP, such as but not limited to 3227 Certificate of Importation, Sale or Transfer (Canadian Supplier only), Free Trade Agreement certificates, Origin Confirmation Declaration or any other document required in relation to export or import of any goods and services by governmental agencies. All goods must clearly be marked in compliance with all applicable laws, including namely full English name of the country of origin ("MADE IN" or "ASSEMBLED IN").

WARRANTY. Supplier warrants that Products are: (a) new and unused; (b) merchantable and free from defects in materials and workmanship for the consumer warranty period applicable to the BRP product containing the Product, except for any latent defect and any warranties that survive such period under applicable law; (c) free from defects in design (unless specifically designed for repair, replacement, or modification); and (d) fit and sufficient for their intended purpose to the extent Supplier knows or has means to know of such purpose. In addition, Supplier's industry and with all applicable laws, rules or regulations; and (h) in the case of services, performed in a professional and workmanlike manner. The foregoing warranties shall survive delivery, acceptance, inspection, testing, payment and use of Products and shall run in favour of BRP, its customers and any subsequent owners or users of the Products. No disclaimer of warranty, limitation of remedy or limitation of remedy shall apply to any Product or service supplied by Supplier under this Agreement. Supplier shall not be liable for any damages or losses caused by or arising out of any defect, accident, misuse, abuse, vandalism, neglect or improper storage not related to any failure of the Parts.

DEFECTS. Supplier shall promptly notify BRP of any actual or suspected defect in a Product, or other matter that may affect the safe or proper operation of a Product or its use in a vehicle. Supplier shall promptly provide relevant information to BRP and cooperate fully with the investigation and analysis. Supplier shall take prompt action to correct the defect, recall, retrofit or replace the Product. Supplier shall reimburse BRP for all expenses it and its dealers incur for repair, rework, or replacement of the Products as well as all costs associated with troubleshooting, inspection, handling, removal, installation, shipping and correction or replacement of any defective Products covered by the warranty. Furthermore, Supplier is responsible for the cost of any damage to Products caused by any non-conforming Products. BRP reserves the right to repair or replace, at Supplier's expense, any defective Part, which is not promptly corrected by Supplier. Remedies hereunder shall be in addition to, and not in lieu of, any remedies available by law and equity.

SPARE PRODUCTS. Supplier shall maintain a supply of Products and the capability to effectively service Products for at least ten (10) years from the date of last shipment for production and to sell them to BRP at a price equal to the last valid order, subject to reasonable setup or necessary particular packaging costs. Thereafter, Supplier shall give BRP a twelve (12) months supply of spare parts for maintenance and repair of products. Spare parts shall be stored in a secure facility accessible to BRP and shall be protected against theft, fire, flood, and other hazards.

TOOLING. All hardware, software, robotics, machinery, dies, molds, cavities, jigs, fixtures, gauges, tools, tooling, material, patterns, samples, prototypes, and any other property used to manufacture Products, which is owned, provided, charged to, or paid for by or on behalf of BRP in whole or in part ("Tooling") shall be and remain the exclusive property of BRP. Title to Tooling shall pass to BRP without regard to BRP's payment or performance of other obligations. Supplier and its suppliers shall not retain any lien, encumbrance or interest, nor attempt to assign, lease, license, sublicense, transfer, convey, mortgage, pledge, hypothecate, or otherwise dispose of Tooling in any form or by any means, without the express written consent of BRP. Supplier shall account for Tooling and inventory thereof to BRP. Supplier shall submit periodic accounting by Supplier at BRP's request and inspection by BRP. (d) Identified as to location and not be moved without BRP's prior written approval; (e) not scrapped or destroyed without BRP's prior written approval # any revenues made from scrapping will be offset against the costs of scrapping and any profit made thereof shall be refunded to BRP; and (f) promptly returned (including any components or spare parts) on the same or better condition, reasonable wear and tear excepted, at any time upon BRP's request. Supplier agrees to assist in protecting Tooling by marking each component with a unique identification mark and to mark each Tooling with a unique identification mark. Supplier shall protect Tooling from unauthorized access, use, disclosure, copying, reproduction, distribution, transmission, or otherwise. Supplier shall conspicuously mark #Property of BRP# by Supplier, insured by Supplier and held at Supplier's risk while in Supplier's or its agents' control or possession. Supplier shall provide BRP with an updated tooling list on a yearly basis and agrees, upon request, to diligently execute BRP's tooling agreement.

PRODUCT-RELATED TECHNOLOGY. Supplier shall provide, to BRP, all technical information and materials concerning the Product, including copies and drawings of the Product, and all technology created by BRP or its suppliers in connection with the Product, including but not limited to, designs, drawings, specifications, and other proprietary information or materials.
